Here is another newsletter.

The year 2024 is coming to an end. It was a turbulent year with the resignation of the circulation commissioner (after 17 years!) Rob de Leeuw and the auctioneer (after 20 years!). But in 2024 we also celebrated the 60th anniversary of our association. During the meeting on March 9, the board offered the members a simple but tasty lunch in the form of an extensive buffet. From what I could see, our people enjoyed it very much. I would also like to thank the "ladyship" of De Bron for this tasty interruption of this memorable day. Furthermore, during the POSTEX event, November 1 and 2, we had an information stand and a small propaganda exhibition of ± 50 frames in which various members showed what and how they collect. Very educational!

With the departure of the dispatch commissioner, the dispatches threatened to stop, but fortunately, we found Hans Adams willing to take over and restructure the dispatch traffic. The departure of the auctioneer also threatened to have catastrophic consequences, but fortunately, Rutger van Veenendaal has volunteered to act as auctioneer. You can read the changes to the board on the website. The adjusted e-mail addresses can also be found there.

The end of the year also means that a new year is in the offing. And this means that the association asks you to renew your membership. If you have given a direct debit authorization in the past, you do not have to do anything. Your membership fee will be debited in mid-January. If you have not given the association authorization, we ask you to transfer the (non-increased) membership fee to: IBAN: NL58INGB0000380962 // BIC: INGBNL2A. If you still want to give an authorization, you can contact the treasurer. You can also find his contact details on the website. The membership fee is as follows.

- Annual contribution in the Netherlands: **€ 32.50**
- Annual contribution European Community countries: **€ 35.00**
- Annual contribution outside the EU: **€ 40.00** (higher postage costs)
- Annual contribution for family member: **€ 15.00**
- Digital membership: **€ 15.00**

**Furthermore, I received a desperate call.**

Our member administrator Chris Hertel is looking for an expert who can handle WORD Windows 11 documents. General but specific concerning formatting errors, how do you correct them, etc. Not everyone at the same time please, but if you can be of assistance, please contact Chris Hertel via e-mail: [hertel01@kpn.nl](mailto:hertel01@kpn.nl) Eternal fame will undoubtedly be yours.

**Thank you in advance!!**

**The following meetings are planned for 2025.**

- \* March 8th
- \* June 7th
- \* September 6th
- \* December 13th

+ + + + + = + + + + +

**Finally, I would like to wish you all, also on behalf of the board, a beautiful, warm, and cozy Christmas and of course an excellent, but above all, a peaceful and healthy 2025.**

Meeting December 14 in De Bron As is known, there will be another meeting of the NFV Scandinavia on December 14, 2024, in De Bron in Amersfoort.

## The board has drawn up a small agenda for this meeting:

- 10:00 - 12:00 Catching up, viewing lots, stamping.
- 12:00 - 12:30 Lunch.
- 12:30 - 13:00 Board announcements.
- 13:00 - 14:00 Presentation Christiaan Hertel.
- 14:00 - 15:00 Auction.

These times are approximate, so the auction can also start earlier! As for the board announcements, the following is on the list:

### 1). Budget 2025.

### 2). Status of the changes to the articles of association.

### 3). Circulation traffic.

As you may know by now, Hans Adams has taken over the task from Rob de Leeuw. The first shipments have already been put into circulation.

### 4). Auction.

As is well known, Henk Burgman has decided to stop as auctioneer. Henk has tirelessly and with enormous dedication delivered an interesting auction every quarter for 20 years. But alas, all good things come to an end! However, the board has not been able to find a successor for Henk from within the association. Because the auction is so important to the association, the board has decided to fill the auction itself, with Rutger van Veenendaal (hopefully temporarily) trying to fill the role of auctioneer, assisted by Richard Tilman for the administrative tasks and John and Rieneke Kuin for the website. Given the track record and the tireless dedication that you have come to expect from Henk, this will not be matched. In other words, the auction will continue to exist, but probably on a more modest scale. The first time will be on December 14. Fortunately, Henk continues to handle the estates and is ready to give advice when asked (or unasked for).

### 5). Experiences with Postex.

Despite the meager interest, the board remains of the opinion that we should also participate in Postex next year with a stand.

### 6). Other matters to be discussed.

The board would appreciate hearing your views on the above matters and exchanging ideas about them. If you can not find yourself in any of these, please come to Amersfoort.

Then you can also listen to Chris's presentation. He can provide insight into the sometimes complicated world of Finnish philately like no other, and he will undoubtedly also show some beautiful specimens.
